

SCHOOL COUNCIL REPRESENTATIVE

Job Description

Would you like to represent your class on the School Council this year?

Can you help children take a role in making decisions on a range of issues including how to improve teaching and learning, safety, behaviour, the school building and playground?

Would you like to make sure that children's ideas are listened to by adults in school?

We are looking for councillors who will attend School Council meetings fortnightly at lunchtime, report back to their classes and collect ideas from their classmates. Councillors may also have a variety of other duties including attending meetings with adults, carrying out surveys and reporting back in assemblies.

Are you:

- Reliable
- Enthusiastic
- Organised
- Independent
- Dedicated
- Punctual
- A good communicator – speaking out and listening to others
- A good team member

If so, why not stand for election as your class School Council Representative.

You will need to prepare a short speech to give to your class telling them why you think you will make a good School Council Representative. You will have up to 2 minutes to speak to your class. This will be next week (week beginning 25th September).

You may like to make some notes or write down what you would like to say. Good luck!

Those children who have been a School Council Rep. before can apply again when they are in a new Key Stage. Any Y6 child can apply for the School Council Leader role.

Your class will vote for who they think will make an excellent School Council Rep. The votes will be counted and the teachers will also have their say. The results will be announced at the end of the week.
